Diver's Dream™ Video Slots

CORE

During the base game, the frequently occurring Pearl Collection Feature is triggered if pearls appear on three or more reels. All pearls appearing in any position on the reels will then award the sum of the displayed values.

The free games bonus is triggered by three, four, or five Free Spins symbols and awards up to 40 free games. During the bonus, pearls appear more frequently, and every pearl awards its displayed value, keeping players engaged with a high payout potential.

In addition to the Pearl Collection Feature, the base game offers a huge pattern pay award for a full screen of dolphins, enhancing play with another win opportunity and added excitement.

The fast-hitting Gold Award and Silver Award pearls occur during both the base and free games, driving player engagement and adding an extra thrill throughout gameplay.

Spell binding visuals and sounds

New combination of binding and winning Jackpots

Visit igt.com to learn more.

The dragon ball symbol activates an eight-game countdown. Dragon symbols continue to collect and lock golden frames and all available wins are tallied and awarded after the eighth spin.

Three or more bonus symbols trigger the free games bonus.

A player can choose from three free games options. After the reel spin of any free game, all credit and/or jackpot prizes appearing in a position over which a frame is locked are awarded.

The unique binding frames and jackpot system allows for significant payout opportunities.

Elephant King[®] Video Slots

Sure to start
a stampede.

Target Player

- Video slot players who enjoy high-volatility games, new game features, and elevated win anticipation

Benefits and Features

- Debut of the Prize Disk™ feature:
 - Across the top of the reels is a disk that showcases win values and free games bonus triggers
 - During each spin, the values advance from right to left, advertising potential wins to players
 - If a trigger symbol lands on reels one, three, or five, the Prize Disk™ feature is triggered, and the associated value or free games trigger that is above the trigger symbol reel is awarded
- When a trigger symbol lands on a reel beneath a free games trigger, the free games bonus is initiated:
 - Up to 30 initial free games can be awarded
 - The Prize Disk™ feature trigger symbols are active on all five reels, creating increased win opportunities on every spin
 - Free games can be retriggered
- Layered audio, lighting and animation in the base game increases anticipation when the Prize Disk™ feature is about to award a prize. This enhances excitement, and notifies the player that a prize could be awarded any second.

Differentiation

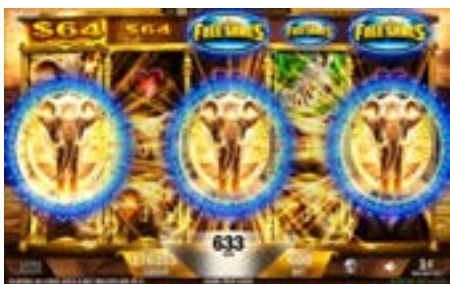

- Players will love the all-new Prize Disk™ feature which elevates player anticipation, giving them the ability to see upcoming free games triggers and bonus win opportunities
- Elephant trumpet sounds play each time the Prize Disk™ feature is awarded, creating an exciting winning atmosphere that attracts potential players and drives coin-in on neighboring machines
- Partial retriggers in the free games is a proven, player-favorite feature

Optimization

- Placing this game in banks with other Prize Disk™ games such as Wolf Ridge™ Video Slots will help ensure optimal performance
- Game play configuration:
 - 40 paylines – 600-credit maximum bet – low denomination

Fortune Coin™ Video Slots

Make some coin with this game.

Target Player

- Video slot players who enjoy new frequent features and progressive jackpots
- A stunning graphics package appeals to the Asian demographic, and is sought after by a broad player base

Benefits and Features

- The base game is packed with action, featuring a MultiWay® configuration that offers 243 ways to win, stacked symbols, wilds, and scatter pays
- The frequently-occurring Fortune Coin™ feature can be triggered on any spin when one or more coin symbols land on the reels. One of three features will be awarded:
 - **Bonus credits:** Up to 1,000 credits multiplied by the current bet multiplier can be awarded per initiating coin symbol
 - **Free games:** Up to 20 initial free games can be awarded per coin. All minor symbols are removed, creating big-win opportunities with increased chances for major symbol stacks on the MultiWay® interface. The Fortune Coin™ feature is still active in the free games, offering bonus credit awards, free games retriggers, and progressive jackpots.
 - **Progressive pick:** Players make selections until they match three icons and are awarded the corresponding jackpot. Players can also reveal icons to boost progressive levels, and an "Award All" icon which awards all four progressive levels.

Differentiation

- Relatively achievable, quicker-hitting progressives compared to similar competitive product
- The base game offers a compelling winning experience, featuring stacked symbols and 243 ways to win, that does not rely solely on bonus feature wins to keep players excited
- The progressive jackpot feature elevates average wager by offering progressive levels that increase as wagers increase, and guaranteed progressive wins when the progressive bonus is triggered
- The Fortune Coin™ feature creates a very easily understood triggering mechanism that keeps players engaged with every spin

Optimization

- Placing this game in banks with other Fortune Coin™ Video Slots, or with themes in the Jackpot game segment will help ensure optimal performance

Hephaestus™ Cash Eruption® Video Slots

Get ready for some serious fire coin action.

Benefits & Features

- Hephaestus™ Cash Eruption® Video Slots combines enhanced base and bonus game tension with valuable fire coins that either award credit wins or the Mini, Minor or Major treasure
- Each fire coin that lands in view is collected on the top screen. As soon as 15 fire coins are collected on the top screen, the Grand Treasure prize plus the additional values shown on the final count up are awarded to the player
- The Cash Eruption® Hold & Respin feature can be triggered from both the base game and the Free Games:
 - In the base game, six or more fire coin symbols in view trigger the Cash Eruption® Hold & Respin Feature that awards 3 respins
 - Additional fire coin symbols spun in reset the counter to 3 respins and add to the count of fire coins collected on the top screen
 - When no further fire coins land in view, each of the small fire coin icons will erupt and fire the cash value shown in the symbol up to the top screen
- The Free Games Bonus is triggered by 3 or more temple symbols in view and rewards 3, 4 or 5 free games:
 - During the free games, reel 1 and 5 are spinning, while reels 2, 3 and 4 are covered with 9 pick fields
 - With each bonus spin, 1 pick is granted that either awards the Cash Eruption® Hold & Respin feature or reveals a symbol that is taken over on reels 2, 3 and 4
 - The free games are played with a giant Mega symbol available on reels 2, 3 and 4
 - During free games a single mega fire coin triggers the Cash Eruption® Hold & Respin feature
- 15 Lady symbols in view award a picture pay of 1000x last bet
- Stacked Wilds® symbols are available across reels 2, 3, 4 & 5 in the base game and on reel 5 during the Free Games

Differentiation

- Stacked Wilds® symbols provide extra excitement during the base game, whilst giant mega symbols build additional tension during the free games
- The free games bonus provides an additional chance to trigger the Hold & Respin feature

Optimization

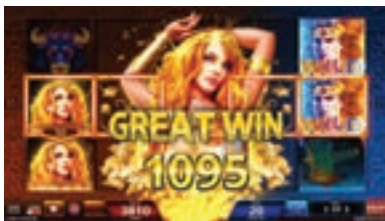

- Placing this game in multiple copies on the same bank or together with other Cash Eruption® titles will help ensure optimal performance

Hot To Drop™ Video Slots

CORE

The devil makes random appearances in the base game, burning positions on the reels and turning the respective symbol wild for that spin.

3 scatter symbols on reels 1, 3 and 5 during the base game trigger the free game bonus with 7 free games. Wilds are sticky in the free games!

During the free game bonus, if the player achieves a full reel wild by filling in all 4 positions on the reel, an extra 2 free games are awarded.

The player can, at any time, choose to buy the bonus by pressing the BUY A BONUS button on the dashboard or the DPP. Also, the player can change the price to buy the bonus in the pop up on the screen.

Italian Journey™ Video Slots

Enjoy La Dolce Vita in beautiful Italy!

Benefits & Features

- This game features a romantic Italian theme that takes players through a heartwarming journey across Italy
- New and intuitive game mechanics in combination with the Italian Journey™ Free Games Bonus guarantee for an exciting time-on-device
- Players will love the frequently occurring full reel WiLDs on active reels
 - Reels become active randomly by showing the word “WiLD” on it
 - Whenever a Heart symbol lands on an activated reel, this reel turns into a full reel WiLD
 - In addition, big Hearts can appear in any spin and will hover down from the top screen to turn 2 or 3 adjacent reels into full reel WiLDs.
- 3, 4 or 5 Free Games Scatter symbols trigger the Italian Journey™ Free Games Bonus with player selectable volatility based on the number of Free Games Scatter symbols that triggered the bonus:
 - Option one: Player receives 15, 30 or 45 Free Games with 2 guaranteed WiLD Reels in each Free Game
 - Option two: Player receives 10, 20 or 30 Free Games with a guaranteed Big heart covering 2 or 3 adjacent reels in each Free Game
 - Option three: Player receives 5, 10 or 15 Free Games with 3 guaranteed WiLD reels in each Free Game
- The Italian Journey™ Free Games Bonus can be retriggered and the player can make a new volatility choice in each new session

Differentiation

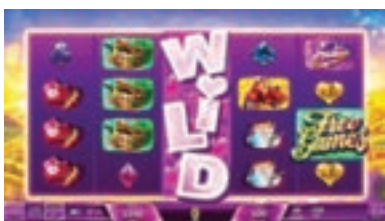

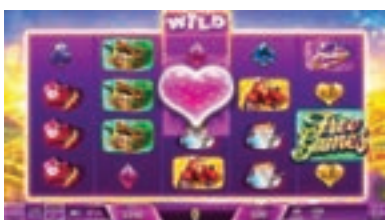

- Entertaining mix of typical Italian and modern music combined with stunning sound effects enriches this appealing theme
- High frequent payouts perfectly complement the balanced game flow
- Player selectable volatility during the Free Games Bonus and satisfying payouts give players an entertaining ride

Optimization

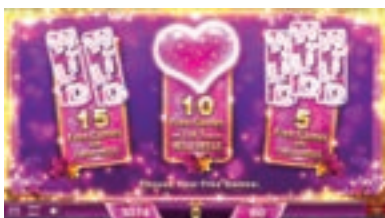

- Placing this game in banks with Italian Journey™ Video slots or other Waterfall games will help ensure optimal performance

Visit igt.com to learn more

Reels get activated randomly, and whenever a Heart symbol lands on them, they turn into full reel WiLDs.

When the Italian Journey™ Free Games Bonus is triggered, the player can choose from three different options offering either more Free Games or more WiLD reels.

King Of Macedonia™ Video Slots

Revel in
the glory
of victory.

Target Player

- Players who enjoy highly entertaining themes with innovative graphics and enticing free games

Benefits and Features

- The successor of the player-favorite King of Atlantis™ Video Slots, this game features a 5x5 reel configuration with 40 paylines and a minimum bet of 80 credits
- Gigantic Wilds™ symbols appear on reels two and four, covering adjacent reel positions to the right and creating a stunning visual presentation that engages players
- Two reel spin anticipation features create excitement:
 - A slow-motion spin happens before the King's Fortune feature is triggered
 - The King's Fortune feature shoots lightning across the reels and awards the player a Gigantic Wilds™ symbol
- The King Free Spins Bonus is triggered when a bonus symbol appears anywhere on reel one and a wild appears on reels two or four
- Eight initial free spins are awarded:
 - Any positions that are wild when the bonus is triggered will remain wild for the duration of the bonus
- If a bonus symbol lands on reel one and no wild appears, the player is randomly awarded up to a 10X multiplier

Differentiation

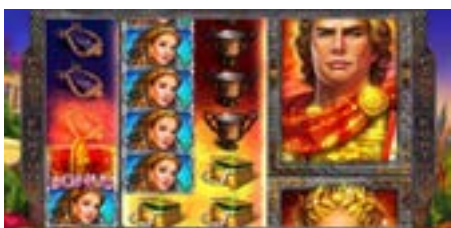

- The Gigantic Wilds™ feature creates a first-class visual presentation that entertains players
- Special reel spin anticipations generate excitement and keep players engaged
- Multiple cabinet options allow for greater flexibility in floor placement

Optimization

- Placing this game with King of Atlantis™ Video Slots or other King of Macedonia™ Video Slots games will help ensure optimal performance
- Game play configuration:
 - 40 paylines –200-credit maximum bet –low denomination

When the lightning strikes and the King's Fortune symbol glows, the king will come to your aid with a wild in full view.

If a bonus symbol appears in any position on reel one and a wild appears on reels two or four, the King Free Spins Bonus is triggered and eight free spins are awarded.

If the bonus symbol appears in any position on reel one but no wild appears, a random 2X-10X multiplier is awarded and applied to all line wins or the current game.

During the base game when the bell symbol (wild) appears on any reel, it expands, adding one to four symbol positions to the reel, paying all ways, including the newly created ones. This results in up to 16,807 ways to win.

Three, four or five Anchor scatter symbols in view trigger the Free Games Bonus and award 10, 12 and 15 free games, respectively. At the start of the bonus each triggering scatter will expand to add one symbol position to that reel.

During the Free Games Bonus, each bell symbol appearing at any position on the reel expands to add one symbol to that reel. All symbol positions on that reel transform into bells. Each reel may expand up to seven symbol positions high. If this happens an extra three free games are awarded.

Once a reel reaches the maximum of seven symbol positions high, each bell symbol that lands in view awards one additional free game. Free games end when 0 games remain or after 200 games have been played.

Lucky Buddha[®] Video Slots

Bring good fortune to your floor.

Benefits and Features

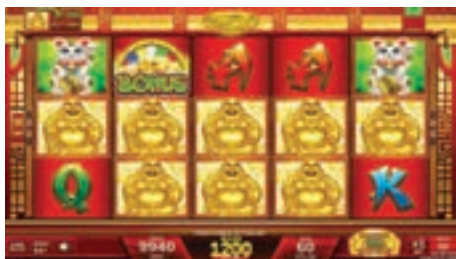

- This innovative 30 payline theme is packed with action, featuring traditional player-favorite bonuses including a three-level progressive, wheel bonus, and free games bonus
- The Repeating Win Multipliers™ feature is active in both the base game and free games and is initiated each time a win is awarded. After a win, the winning symbol is added to the top of the reels and assigned up to a 10X multiplier that will apply to any subsequent wins of the same symbol over the next seven spins.
- Three scattered bonus symbols on reels one through three trigger the wheel bonus. A single wheel spin is awarded, and players have the opportunity to win one of four bonus features:
 - **Bonus credits:** players are awarded bonus credits depending on the initiating bet multiplier
 - **Free games:** if the wheel lands on a free games wedge, players are awarded a 2X scatter pay and up to 20 free games
 - **Progressives:** when the wheel lands on a progressive wedge, the respective progressive level is awarded
 - **Open Repeating Win Multipliers™ feature:** when players land on one of these wedges they are awarded a 2X scatter pay and receive the Repeating Win Multipliers™ feature for the respective symbols over the next seven spins

Differentiation

- The Repeating Win Multipliers™ feature provides a persistence element that keeps players engaged and maintains an ever-present feeling of a big win being just around the corner
- The wheel bonus elevates excitement and attracts players

Optimization

- Placing this game in banks with other themes in the Waterfall or Jackpot game segment will help ensure optimal performance

The Repeating Win Multipliers™ feature increases anticipation for huge payouts in both the base game and free games bonus. After a win, the winning symbol is added to the top of the reels and assigned up to a 10X multiplier that will apply to any subsequent wins of the same symbol over the next seven spins.

Three scattered bonus symbols on reels one through three trigger one spin in the wheel bonus. The wheel consists of four different bonus features: bonus credits, free games, progressives, and the open Repeating Win Multipliers™ feature.

During the wheel spin bonus, if the wheel lands on a progressive wedge the respective progressive level is awarded. Players can win one of three progressive jackpots.

Lunar Disc™ Video Slots

Stellar wins for your floor.

Benefits and Features

- This theme is inspired by the Proven Performer Solar Disc™ Video Slots
- Retains the player-favorite Solar Disc™ Feature, with all gold disc symbols turning wild
- The exciting new Lunar Disc™ Feature creates big-win opportunities:
 - Players collect Lunar Disc™ symbols when they land on the reels, with each symbol awarding one ring to the disc meter
 - When six rings have been collected in the disc meter it spins to reveal a symbol, turning all corresponding symbols wild. The feature may also reveal an additional Lunar Disc™ symbol which adds another disc meter and respins, or one of the two jackpot symbols.
- Three or more bonus symbols trigger the free games pick:
 - Up to 15 picks are awarded, depending on the number of initiating bonus symbols
 - Players select from floating discs to reveal the number of free games awarded or extra picks

Differentiation

- This theme features the core functionality that players will recognize from Solar Disc™
- Jackpot levels increase as players increase their wagers, elevating average bet and driving coin-in
- The Lunar Disc™ Feature provides a persistence element that keeps players engaged with big-win opportunities

Optimization

- Placing this game in banks with Solar Disc™ will help ensure optimal performance

Visit igt.com to learn more

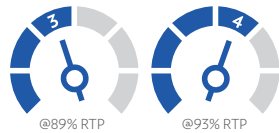

In the Lunar Disc™ Feature, players collect Lunar Disc™ symbols to fill the rings of the disc meter.

When all six rings of the disc meter have been filled, the disc spins to reveal the award which may be an additional lunar disc or one of the jackpot levels.

Three or more bonus symbols trigger the free games pick, where players select from discs to reveal the number of free games awarded.

Mistress of Egypt™ Video Slots

The mistress bestows plentiful gifts.

Target Player

- Low-denomination players who enjoy frequent free games and Egyptian themes

Benefits and Features

- This game features an enticing, frequent scattered wild feature and an immersive three-position-high top symbol
- A pyramid symbol rotates on the top screen and levitates in the mistress' hands until she releases it on to the reels, where it can cover any symbol (except bonus triggers) and becomes a wild:
 - The pyramid symbol can cover up to 15 symbols during the base game or free games, creating massive wins
- Three, four or five scattered scarab symbols trigger 10, 20 or 75 free games respectively:
 - Wilds drop down on every spin during the free games, creating big-win anticipation
- Huge stacks of the mistress symbol provide big wins in the base game, with five stacks triggering the top award

Differentiation

- The scattered wild feature occurs often, keeping players engaged and creating anticipation
- Gigantic stacks of the top symbol create big-win possibilities and a stunning visual presentation

Optimization

- Placing this game in multiple copies on the same bank will help ensure optimal performance
- Game play configuration:
 - 30 paylines – 300 credit maximum bet – low denomination

Power Coins™ Leprechaun Edition Video Slots

CORE

Power Coins™ Leprechaun Edition Video Slots have expanding wilds which substitute for all symbols except the scattered coin-on-reel symbols.

5 to 15 coin-on-reel symbols trigger 5 free games, where each pot of gold symbol pays the actual pot of gold prize.

The initial pot of gold prize is the sum of all coin values that trigger the bonus, each coin in the free games increases the pot of gold prize.

Landing at least one coin in the last free game spin extends the free games by one spin.

Regal Riches™ Video Slots

Enrich your floor with progressive wilds.

Benefits and Features

- Continuing the success of the Progressive Free Games Feature, this theme offers an exciting new twist featuring progressive wilds
- Regal Riches™ introduces the new Guaranteed Wilds Feature:
 - During the base game, blue gems are collected when they land on the reels while also acting as wilds
 - The frequently-occurring Guaranteed Wilds Feature is awarded randomly and delivers the number of wilds collected in the meter during any base game spin
- The innovative Progressive Wilds Free Games Feature allows players to collect gem symbols to increment the Minor, Major, or Mega wilds free games meters:
 - When yellow, purple, or green gems land on the fifth reel, they transform into wilds and are added to the corresponding meters
 - Two free games symbols on reels one through four, plus any colored free games symbol on reel five awards the corresponding free games wild meter
 - Players are guaranteed the number of wilds spread randomly over the reels throughout the 10 awarded free games
- Multipliers are awarded if more than one wild symbol lands in the same position on the reels in both the base game and free games
- The progressive wilds free games meters increment from session to session and are advertised on the Dynamic Player Panel so that players can shop the different bet levels and corresponding meters

Differentiation

- This entertainment theme debuts the new Guaranteed Wilds Feature
- Players can shop bet levels and corresponding progressive wilds meters, creating a compelling opportunity to increase their bet

Optimization

- Placing this game in banks with other Regal Riches™ themes or with other Progressive Wilds themes will help ensure optimal performance

During the base game, players collect gem symbols on the fifth reel. The symbols transform into wilds and are added to the corresponding colored progressive wild free games meters at the top of the screen.

The new Guaranteed Wilds Feature is awarded randomly and delivers the number of wilds collected in the blue gem meter during any base game spin.

Rising Spins™ Video Slots

Rise to the top level for big wins!

Benefits & Features

- Rising Spins™ Video Slots is a forced 10-line game that features a classic fruit theme with a unique free games mechanic
- The optional buy-a-bonus features allows the player to pay for triggering the Rising Spins™ free games
- 3 or more Rising Spins™ scatter symbols in any position on the reels trigger a maximum of 300 free games:
 - The starting level of the free games is dependent on the number of Rising Spins™ scatter symbols appearing in the triggering game:
 - 3 scatter symbols start the free games from level 1,
 - 4 scatter symbols start them from level 2 and 5 scatter symbols start the free games from level 3
 - The player is awarded 3 respins for each symbol
 - Only one symbol is visible on the reels at a time during the free games and some symbols are not available for each level
 - Each time a line win occurs during the free games, the number of spins remaining is reset to 3, and the current symbol on the reels is upgraded to the next symbol available for the current level on the next spin
 - Any line win including a red 7 symbol promotes the player to the next level. Top level is reached when only red 7s remain on screen.
 - As the free game level raises, the frequency and amount of wins increase
- A picture pay full of red 7's on reels 1, 2, 3, 4 and 5 awards 1000 x bet

Differentiation

- This title will appeal to fans of classic fruit games and gamblers alike due to the highly volatile game mathematics
- The engaging free games mechanics adds extra excitement to the base game and increases player anticipation
- Rising Spins™ video slots is a premium choice in every multi-game setup and provides a perfect mix of entertainment value and player appeal

Optimization

- Placing this game in banks of multiple copies or together with other fruit games will help ensure optimal performance

Scarab™ Video Slots

A wild reason to stay and play.

Target Player

- Low-denomination players who enjoy frequent base game features and free games bonuses
- Fans of the Wild Stays™ feature found in games such as Golden Jungle™ Video Slots and Golden Egypt™ Video Slots

Benefits and Features

- Players love the frequently-occurring, high-paying Wild Stays Charges Then Pays™ feature during the base game:
 - When a scarab symbol lands anywhere on the reels it turns that symbol into a golden spot
 - Players continue to wager and spin in hopes of collecting additional scarab symbols and golden spots. After the tenth spin, all golden spots are transformed into wild symbols for huge win possibilities.
 - The possibility for multiple wild symbols in the base game keeps players engaged and drives coin-in
- Three or more pyramid symbols trigger the free games bonus:
 - Players select their desired number of free games and associated wild symbols, allowing them to choose their free games experience
 - The selected number of wild symbols changes position before each bonus spin, keeping play fresh and exciting throughout the bonus

Differentiation

- The Wild Stays Charges Then Pays™ feature provides a persistence element which keeps players engaged and maintains an ever-present feeling of a big win being just around the corner
- Multiple cabinet options allow for flexibility in floor placement

Optimization

- Placing this game with other themes in the Wild Stays™ game series and/or the waterfall game segment will help ensure optimal performance

During the Wild Stays Charges Then Pays™ feature each scarab symbol lands anywhere on the reels it turns that symbol into a golden spot. Players continue to wager and spin in hopes of collecting additional scarab symbols and golden spots. After the tenth spin, all golden spots are transformed into wild symbols for huge win possibilities.

When the free games bonus is triggered, players select their desired number of free games and corresponding wild symbols.

The selected number of wild symbols changes position before each bonus spin, creating exciting big-win opportunities on every spin.

Solar Disc™ Video Slots

Get some sun.

Target Player

- Low-denomination video slot players who enjoy frequent base game features and wild symbol action

Benefits and Features

- The base game features the Solar Disc™ feature which creates big-win opportunities:
 - When a gold disc symbol lands anywhere on a reel it reveals a symbol, and all other instances of that symbol which appear on the reels become wild before the win is awarded
 - Multiple gold disc symbols can land on a single spin, creating numerous wild symbols that can combine for large payouts
- The free games bonus is triggered when a bonus symbol lands on reel one, and one or more gold disc symbols land on any reel:
 - Before the free games begin, a stunning visual plays out which shows additional gold disc symbols being added to the reels which contained a gold disc symbol during the free games bonus initiation
 - During each spin of the free games, one or more reels are highlighted. Highlighted reels are guaranteed to trigger the Solar Disc™ feature, keeping players engaged with big-win potential on every spin.

Differentiation

- Large win potential within the base game and the bonus drives coin-in
- The frequency of the Solar Disc™ feature during the base game and the bonus keeps players engaged
- Multiple cabinet options allow for greater flexibility in floor placement

Optimization

- Placing this game in banks with other Solar Disc™ Video Slots will help ensure optimal performance
- Gameplay configuration:
 - 26 paylines – 400-credit maximum bet – low denomination

Star Goddess™ Video Slots

Wild comets travel the universe to award galactic wins.

Benefits & Features

- Star Goddess™ Video Slots feature a mystic galactic theme with an enticing, frequent scattered wild feature and a Free Games Bonus
- In the Stars of Wealth Feature, wild golden comets impact random positions on the reels and turn them wild
 - When a wild comet hits a top symbol frame, the wild expands and turns all adjacent positions wild for this game
 - By wagering an extra side bet, players can activate the Portal Lock to increase the chance for surrounding wilds
 - The Portal Lock keeps all top symbol frames in place until any top symbol frame is impacted by a golden comet
 - If a top symbol is impacted, all top symbols locked in place turn wild, allowing for spectacular wins
- During the reel spin of any base game and at any bet the SUPREME or MEGA mystery progressive jackpot may be awarded – the jackpot hit frequency increases as players bet up
- Free Games Bonus: 3, 4 or 5 scatter Bonus symbols trigger 10, 20, or 50 free games respectively

Differentiation

- The scattered WILD feature occurs often, keeping players engaged and creating an ever-present feeling of a big win being just around the corner
- The mystery progressive wins add extra excitement and drive coin-in
- Perfect mix of player appeal and entertainment value

Optimization

- Placing this game in multiple copies on the same bank or together with other Waterfall games will help ensure optimal performance

Temple of Fire™ Cash Eruption® Video Slots

It's time to light a fire.

Benefits & Features

- Temple of Fire™ Cash Eruption® Video Slots combine enhanced base and bonus game tension with valuable Fireballs that award credit wins
- Expanding Wilds are available across reels 2, 3, 4 & 5 in the base game
- The CASH ERUPTION® Hold & Respin feature can be triggered from both the base game and the Free Games:
 - In the base game, six or more Fireball symbols in view trigger the CASH ERUPTION® Hold & Respin Feature with 3 respins
 - Additional Fireball symbols reset the respins to 3 and add to the count of fireballs collected on the top screen
 - When no further fireballs land in view, each of the small fireball icons will erupt and fire the cash value shown in the symbol up to the top screen
 - The CASH ERUPTION® Hold & Respin feature awards all values shown on the Fireballs
 - 15 Fireballs in view will trigger the Grand Treasure Prize plus the additional values shown on the Fireballs
- The Free Games Bonus is triggered by 3, 4, or 5 Volcano symbols in view. The 6 Free Games are played with a giant Mega Symbol on reels 2, 3, and 4. Within the Free Games, the CASH ERUPTION® Hold & Respin feature can be triggered by a single Mega Fireball.
 - Free Games are played at the same bet multiplier as the game that awarded the Free Games and can be retriggered, with 3 extra Free Games awarded for a giant Free Games symbol.
 - During Free Games a single Mega Fireball triggers the CASH ERUPTION® Hold & Respin feature

Differentiation

- Expanding Wilds provide extra excitement during the base game, whilst giant Mega symbols build additional tension during the free games
- The Free Games Bonus provides an extra chance to trigger the Hold & Respin Feature

Optimization

- Placing this game with other Temple of Fire™ Cash Eruption® Video Slots on the same bank will help ensure optimal performance

Temple of Fire™ Video Slots

Wilds spread like fire across the reels.

Target Player

- Players who enjoy an exciting base game experience

Benefits and Features

- This game features a flaming Aztec theme with an innovative feature that can award many wilds at once, and three different free games options with various volatilities
- When the stacked Aztec girl symbol appears on any reel, she turns all adjacent top symbols wild:
 - Top symbols that are adjacent to wilds will also turn wild, spreading wilds like fire across the reels
 - During free games, a full stack of Aztec girl symbols is guaranteed on every spin
- Three scattered temple symbols trigger the free games bonus. Players select from three options, all with different volatilities:
 - Option one: Player receives 12 free games at a 1X multiplier
 - Option two: Player receives six free games at a 2X multiplier
 - Option three: Player receives four free games at a 3X multiplier

Differentiation

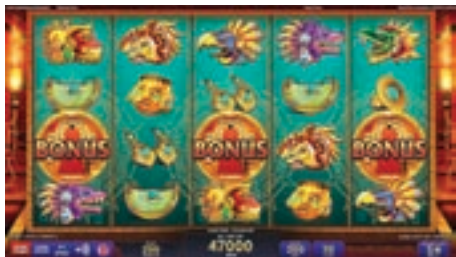

- Intuitive feature spreads wilds across the reels when the stacked Aztec girl symbol lands in any position, generating excitement and creating big-win possibilities
- When the free games are triggered, players choose from three different options for either more free spins with lower multipliers, or fewer free spins with higher multipliers

Optimization

- Placing this game with multiple other Pure Core games or other Temple of Fire™ Video Slots on the same bank will help ensure optimal performance

Three or more vault scatter symbols in view trigger the Heist Feature. Once this occurs a random symbol will be selected as the player's starting/active symbol. At this point all vault and wild symbols will transform into the active symbol.

At the beginning of the feature all active symbols will lock for the remainder of the feature and three re-spins will be awarded. After each re-spin, if an active symbol appears, the number of re-spins resets to three. If a vault symbol appears a higher paying symbol will be selected as the active symbol.

If the Heist feature is triggered by four vault scatter symbols, the first three symbols will be locked and cannot be selected as the active symbol. If its triggered by five vault scatter symbols the first six symbols will be locked and cannot be selected as the active symbol.

A full screen of the same symbol awards a pick from three vaults containing Collect, Upgrade, or Jackpot. Collect will result in the advertised award card, Upgrade will result in a higher paying symbol, and Jackpot will transform all symbols into golden crowns awarding 1,000X total bet.

Wild Pirates® Video Slots

Fire in the hole.

Target Player

- Low-denomination players who enjoy frequent base game features and free games bonuses
- Fans of the Wild Stays™ feature found in games such as Golden Jungle™ Video Slots and Golden Egypt™ Video Slots

Benefits and Features

- Players love the frequently-occurring, high-paying Wild Stays Explodes 'N Pays™ feature:
 - Each bomb symbol that lands will stick to the symbol position that it lands upon. Bomb symbols stay in place as sub-symbols, and do not affect the reel spins.
 - Players continue to collect bomb symbols until a bomb symbol with a lit fuse lands on the reels. After a certain number of games, the bomb's fuse will come to an end and ignite all adjacent bomb symbols collected.
 - All bombs that explode turn into wild symbols, with the possibility for multiple wild symbols which create big-win opportunities that keep players engaged
- Three or more free games symbols trigger the free games bonus:
 - Five free games are awarded during which players collect bomb symbols identical to the base game
 - On the final spin, a super bomb will land and detonate all bombs that have been collected on the screen, creating huge payout potential

Differentiation

- The Wild Stays Explodes 'N Pays™ feature provides a persistence element which keeps players engaged and maintains an ever-present feeling of a big win being just around the corner
- Multiple cabinet options allow for flexibility in floor placement

Optimization

- Placing this game with other themes in the Wild Stays™ game series and/or the waterfall game segment will help ensure optimal performance

During the Wild Stays Explodes 'N Pays™ feature, each bomb symbol that lands will stick to the symbol position that it lands upon until a bomb symbol with a lit fuse lands on the reels.

After a certain number of games, the lit bomb's fuse will come to an end and ignite all adjacent bomb symbols collected, turning them into wild symbols for big-win opportunities across multiple reels.

During the free games bonus, players collect bomb symbols identical to the base game. On the final spin, a super bomb will land and detonate all bombs that have been collected on the screen, creating huge payout potential.
