# Cardless Connect™

Card in without the card.

Visit [igt.com](http://igt.com) to learn more

A player sits down and points their phone at the gaming machine. Suddenly, the player display shows the player's name and point balance. When the player leaves, the app automatically cards them out.

## Welcome to the millennial world.

IGT's new Cardless Connect™ product enables players to card in to an EGM without a physical card, removing a common barrier to play and retaining younger and tech-savvy players.

Even better, paper tickets become a thing of the past with the Cardless Connect™ software. Where approved, players can transfer credits with just a few taps on their phone thanks to IGT's proven EZ Pay® software.

The Cardless Connect™ product integrates into your property's app, driving use and keeping your brand front and center.

Phones can already pay for coffee, get you on a plane or deposit checks. Join leading customer-service companies with a practical app for your players.
