

On Demand Suite

Service on
the EGM

What if your players never had to leave their game? Improve your players' experience with On Demand solutions from IGT. Instead of waiting in lines, players access a variety of conveniences with the push of a button, leading to increased customer satisfaction and more time on device.

Benefits

- Increase time on device with in-game service requests
- Increase player satisfaction
- Improve staff efficiency and responsiveness
- Increase customer service

Features

- Customizable user interface for branding
- Choose the full suite or services a la carte
- Flexible routing procedures
- Includes name and location for fast service
- Available on G2S Networks

Services

- Beverage on Demand®: Order drinks
- Available individually or in a cost-effective bundle:
 - Security on Demand®: Report emergencies
 - Host on Demand®: Call a host
 - Valet on Demand®: Have your car waiting
 - Weather on Demand®: Check the weather.

“We’ve been able to deliver amazing customer service with On Demand services.”

-The Grand Ho Tram Strip

Keep your customers in their seats longer. Contact your IGT Account Manager.
