Spin Ferno® S3K Tournament

TOURNXTREME™

TOURNXTREME™

Benefits & Features

- Debut of the all-new TOURNXTREME™, a turn-key premium tournament solution:
 - Elevate your revenue generation by increasing your tournament efficiency, reducing strain on staff resources and minimizing downtime
 - Switch between tournament mode and coin-in mode instantaneously with minimal downtime by removing the reliance on manual adjustments at each machine
 - Walk-up kiosk for easy registration and selection of tournament time slots
 - Cross-promote your properties and run multi-site tournaments (within the same enterprise/company)
- Drive coin-in with player-favorite game mechanics that keep players coming back for more outside of tournament sessions
 - Similar play experience in both coin-in and tournament mode
- Maximize player enjoyment through unmatched excitement, better-than-ever celebrations and player-favorite features
- Appeal to any player demographic with upcoming releases across spinning reel slots, video slots and video poker gaming machines
 - Configurable tournament session times and excitement levels
- Attract more players with custom promotional marketing assets and support
- This turn-key tournament package includes Tournament Manager software, gaming machines, a sign-in kiosk and optional overhead signage
- Available exclusively on IGT Tournament Manager 5.0

Vivid synchronized bank lighting, popular licensed music, and custom voice cues set the floor ablaze with tournament excitement that keeps players engaged through the entire session and draws in potential players from across the floor.

Increase tournament participation and reduce strain on staff resources with the walk-up kiosk which allows for player self-registration and selection of tournament time slots.

Spin Ferno® S3K Tournament

Target Player:

- New and established tournament enthusiasts seeking an exhilarating entertainment experience
- Mechanical spinning-reel fans that enjoy entertaining experiences, and low-denomination games

Benefits & Features

- A modern twist on the popular classic spinning-reel tournaments, with the S3000® gaming machine delivering industry-first synchronized lighting & sound technology that sets the floor on fire with a whole new level of player appeal and excitement
- Recognizable licensed music and voice commands alert players to tournament lead changes, while the leader board in the top box and optional overhead signage allow for quick recognition of standing
- Players will love the interactive features during tournament mode including “pop a symbol” which elevates player adrenaline and brings new energy to your floor
- The main character Burnie adds fun, mischief, and personality that resonate with players, leading to repeat play
- Tournament sessions are synced, and can be configured with different session times for maximum flexibility:
 - Session-based tournaments
 - Three or five minute hosted sessions
 - Walk-up tournaments
 - Three or five minute hosted or unhosted sessions
- Requires a minimum bank of four gaming machines

Custom leader board graphics in the top box and optional overhead signage build anticipation and increase competition, showing players their current standing and any time they change positions throughout the session.

Players pop symbols in hopes of filling their meters during tournament mode, increasing participation with the entire gaming machine and adding a new dimension of play that brings heightened energy to your tournaments.

Base Games

- Base games are inspired by top performing, player-favorite themes which make them a hit during tournaments and in coin-in mode
- Hotsy Totsy® and Red Hot Lil' Devil™ S3K Slots feature three reels, 20 paylines, and 2X and 3X multipliers:
 - Inspired by the top performing 20-payline version of Triple Double Diamond® Free Games Slots
 - Ten free games are triggered when a Burnie symbol lands on each reel
- Fire Bells® and Red Hot Diamonds® S3K Slots feature three reels, 25 paylines, and 2X and 3X multipliers:
 - Inspired by the top performing 25-payline version of Triple Red Hot 7s™ Free Games Slots
 - Seven free games are triggered when a Burnie symbol lands on each reel
- During the free games bonus for all four themes, Burnie the devil spins the reels in the top box to show players an additional credit award that can be won. If players collect five Burnie symbols, the thermometer pops and awards the bonus credits shown in the top box. Free games can be retriggered if a Burnie symbol lands on each reel during a single spin.
- Familiar symbol sets and a free games bonus with possible retriggers create a ride that is easily recognized by players
- Four different themes and two payline configurations offer diverse placement opportunities

The coin-in free games bonus features an added element of surprise, with a popular collection feature in which players collect Burnie symbols to try and earn an additional credit award from the top box.

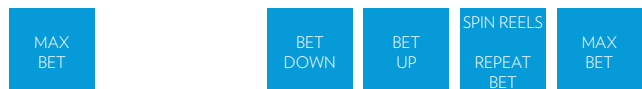

During the coin-in free games bonus for all four themes, Burnie the devil spins the reels in the top box to show players an additional credit award that can be won. If players collect five Burnie symbols, the thermometer pops and awards the bonus credits shown in the top box.
