

Ultimate X Poker® Tournament Manager

Take video
poker to
another level

Target Player

- Fans of video poker who enjoy tournament style play

Benefits and Features

- This player-favorite poker theme, with the addition of Tournament Manager, offers exciting action in and out of tournament mode
- Tournament Manager allows you to easily configure your events, including single or multi-day tournaments, with as many sessions and phases as desired
- Real-time scoring capabilities and customizable leaderboards excite players
- Ultimate X Poker® features buy-a-pay wagering that qualifies players for bonus multipliers up to 12X
- With a bonus multiplier awarded to each active hand ending in a winning combination, each successive hand is almost guaranteed to be more exciting than the last, keeping players engaged
- New background feature that increases player wins: Power Deals™
 - Power Deals™ is a non-player-facing feature in which several hands are dealt by the game prior to presenting the hand with the highest possible expected value to the player
 - Occurs at varying intervals throughout the tournament round causing the highs and lows of real video poker play
- Multi-hand and multi-denomination options available to suit all player types

Differentiation

- Ultimate X Poker® Tournament Manager gives players the excitement of one of IGT's most popular video poker titles in tournament format
- The ability of Power Deals™ to deliver winning opportunities while feeling like the 'real' game bridges the gap between poker and slot tournaments

View game play details at igt.com

Available in Triple Play™ Five Play® and Ten Play™, Ultimate X Poker® Tournament Manager adds the excitement of tournament play to a player-favorite poker theme .

Multipliers are awarded on subsequent hands, based on the previous hands, which adds to the excitement of tournament play.

Tournament Manager allows you to easily configure events, including single or multi-day tournaments, with as many sessions and phases as desired.
