

# Dynasty RNG Concurrent

The Ultimate Gaming Experience

Available in a variety of configurations.

## Benefits and Features

- RNG Concurrent gives players the ultimate choice in gaming options with the ability to play up to 12 RNG games at the same time from one terminal
- Offers players the ability to select from a variety of multi-games:
  - Single and Triple Hand Blackjack
  - Single Zero Roulette, Double Zero Roulette, Triple Zero Roulette
  - Baccarat: Commission, Non-Commission & Dynasty
- Updated graphics, user interface screens & side bet options to give players a new look and feel
- Terminals can be placed in a variety of configurations in Stand Alone, Banks, Circle, Arc and Stadium layouts, ensuring maximum versatility for your casino floor

## Release Timing

- RNG Concurrent: Mid-Year 2021

## Differentiation

- New side-bets create a more dynamic player experience while increasing time on device and improving house edge. New to RNG Concurrent games are:
  - Lucky 8's Side Bet (Baccarat)
  - Upcard Stud Side Bet (Triple Hand Blackjack)
  - Lucky Number Side Bet (Roulette)
- Operator revenues generated at a fraction of the operating cost with improved speed of play and reduction in labor costs
- Sleek, modern cabinet design with ergonomic comfort features and conveniences will attract players and increase time on device
- Operator-configurable game speed allows for a balance between player interaction and hands-per-hour
- IGT's Dynasty products are supported with full field service capabilities and infrastructure to ensure top quality success for operators and efficient response times

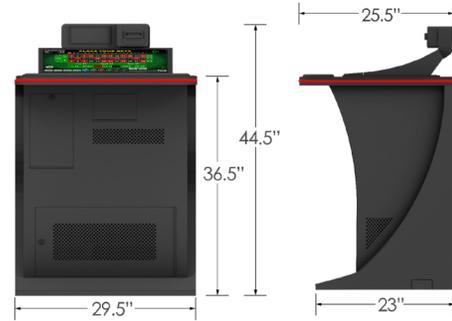

## Optimization:

- Contact your IGT account manager to learn how Dynasty electronic table games can best support your floor
